

Yakushima Mountaineering Survey

~Regarding this survey~

- By gathering your opinions and requests via this survey, we hope to make for a safer and more enjoyable mountaineering experience for all.
- Your responses will not be used for anything else besides the purposes of this survey.
- While we take all responses to this survey into consideration, we cannot guarantee the fulfillment of any specific request. Thank you for your understanding.

Place of Residence () Age () Gender (Male • Female • Other)

1 - 1 Have you donated to the Yakushima World Heritage Mountain Environment Conservation Donation Program?

Yes No

1 - 2 If you answered no to question 1-1, we would greatly appreciate if you gave your reasons for why not..

2 Please give a general outline of your trekking itinerary (ex. One-day hike to Jomon-sugi, etc.)

3 Please feel free to give your impressions from your experience, including what you feel could be improved, in the space below.

Thank you for your cooperation
