

○ (the 278th–295th cases) Eighteen new cases of COVID-19 have been confirmed on Yakushima (March 31, 2022)

Request concerning the confirmed case of COVID-19 on Yakushima

Eighteen new cases of COVID-19 on Yakushima (the 278th–295th cases) have been confirmed on March 31.

COVID-19 transmission among children and the elderly is rapidly spreading.

Yakushima Town Office is in cooperation with organizations dealing with COVID-19 and we will inform you as soon as we receive an update from them. We strongly request that you do not make any inquiries to the hospitals or related organizations because it will get in the way of their work. **We also ask that you refrain from spreading rumors and discriminating against anyone infected with COVID-19.**

We would like for the people of Yakushima, including fully vaccinated people, to continue with the countermeasures against COVID-19. Please make sure to **wash your hands, gargle, wear masks, and use hand sanitizers. Avoid CLOSED-IN SPACES, CROWDED PLACES, CLOSE-CONTACTS.**

In addition, please **refrain from nonessential and non-urgent travel** on Yakushima, and **avoid large group gatherings**. Always be mindful of your actions to prevent the spread of COVID-19 infections.

We also request that local businesses on Yakushima **adhere to each industry guidelines**.

If you don't feel well, please avoid going out. If you have a fever or symptoms of COVID-19, **call your family doctor or Yakushima Public Health Center (TEL:46-2024) for advice**.

We greatly appreciate everyone's understanding and cooperation in preventing the spread of COVID-19.
