

Yodogawa Trailhead Parking Rules and Manners

Yodogawa Trailhead parking spaces are limited. The road is narrow, so please do not park on the road this will block the flow of traffic.

Please park in the designated parking area only.

If the designated parking area is full, you may park your car down the road where it is wide enough for other vehicles to pass. We ask that you do not park on curves because buses and emergency vehicles cannot pass.

※ The “NO PARKING” zone is colored in red on the map below. You must not park your vehicles there. The “NO PARKING” zone is used for buses to make their U-turns.
