

- Yakushima Town's COVID-19 Alert Level is at stage 4, stage 5 being the highest (July 12, 2022)
-

Kagoshima Prefecture has announced today that the seventeen confirmed cases on Yakushima on July 11 is a COVID-19 cluster.

In response to cluster infections on Yakushima, Yakushima has raised the COVID-19 alert level from stage 3 to **stage 4** from July 12.

The indoor municipal facilities will be closed due to COVID-19 cluster infections. (Please check our HP, "Status of Town Facilities.")

In order not to contract COVID-19 and infect other people, we are requesting people to adhere to the "Yakushima Town's Alert Levels and Guidelines for Action".

We greatly appreciate everyone's understanding and cooperation in preventing the spread of COVID-19.

Please check our HP, "Yakushima Town's Alert Levels" and "Status of Town Facilities."
