····· …安全確認未完了登山道 Mountain Trails which safety inspection are still underway.

> * 白谷雲水峡から楠川分れを通って 縄文杉、宮之浦岳に至るルートが通れ るようになりました。(こちらは荒川登山ロル 一トよりも体力を要すルートです。地図内表示 QRにて白谷雲水峡園内最新ルート英語版が 確認できます。)

The route up to Jomon-sugi and Mt. Miyanoura from Shiratani Unsuikyo **Ravine through the Kusugawa** wakare is open. (This is a harder hike than the Arakawa Route. Please scan the QR code above on the map to see the latest course map for **Shiratani Unsuikyo Ravine.)**

* 安全のために他の登山道から入山・ 下山しないようお願い致します。容易な ルートではなく、安全確認もまだ行われ ていません。

Please do not use the other mountain trails for your safety because these are not common routes and safety inspections haven't been completed yet.

[the Date and Time of Opening]

10 AM on Thursday November 14, 2024

*路線バス紀元杉線は 11 月 15 日 (金) より運行を再開します。 The local bus services to Kigensugi will be back in service from Friday, November 15, 2024.

allowed between the Kigensugi and Yodogawa Trail Entrance. If you wish a one-

day round trip to Mt. Miyanoura, please change your trekking plan. Trekking to

Mt. Miyanoura from Arakawa Trail Entrance is recommended instead, but it is

* While some hiking apps may suggest that a one-day round trip to Mt.

Miyanoura is possible despite the road closure, please disregard those apps for

difficult to return in a day.

your safety.
